WORKSHOP

SMART Cables, Science and Society

Towards a deep-sea long-term monitoring of the global Ocean

9, 10 Nov 2026 FEUP

GOING FROM THE AIRPORT TO FEUP

Option 1: Metro

- Around 40-45 minutes
- Line E (Purple) - Direction: Trindade
  ↔ Get out at Trindade station
  ↔ Change to Line D (Yellow) - Direction: Hospital São João
  ↔ Get out at IPO, Hospital São João, or Polo Universitário station

Option 2: Bus

- Around 43-49 minutes
- STCP line 604 - Direction: Hospital São João
  ↔ Get out at Hospital São João-Urgências stop (end of the trip)

PUBLIC TRANSPORT (*Andante card*)

For both options listed above **(from the airport to FEUP)** you will need to purchase an **Andante card** loaded with a **Z4 (four-zone) trip.**

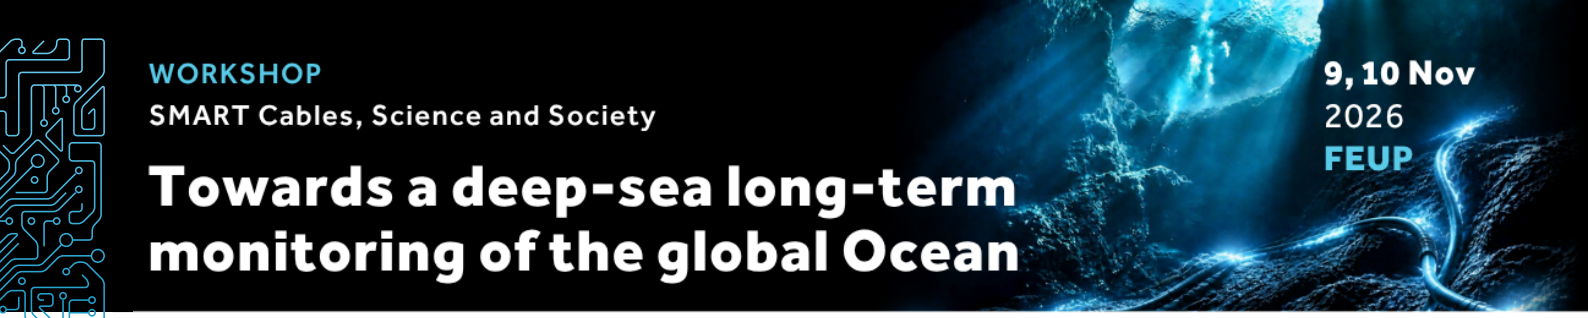

However, **for journeys within Porto city centre and the FEUP area,** you will only need to load **Z2 trips.**

The Andante pass is **personal, rechargeable, and can be used on all public transport in Porto,** including buses, the metro, trams, and the metrobus. You can purchase the card at any metro station.

You must validate your Andante card every time you use public transport. Please note that **metro validation machines are outside the train**, within the station, so **you must validate your card before boarding**.

CONTACTS

Any doubts and further information requests may be addressed to:

- **INESCTEC.OCEAN (General)**
  inesctecocean@inesctec.pt
  (+351) 228 340 546

This event is co-organised by INESCTEC.OCEAN, an EU Teaming for Excellence project. The consortium is led by INESC TEC and also composed by SINTEF (mentor), Fórum Oceano and APDL partners.

Funded by the European Union

This project received funding from the European Union's Horizon Europe research and innovation programme under grant agreement Nº 101136903

The INESCTEC.OCEAN initiative is also endorsed by the United Nations Decade of Ocean Science for Sustainable Development programme.
